We're thrilled to unveil our latest home design: The New Haven, brought to you by Pratt Home Builders. This impressive layout offers 4 spacious bedrooms and 3 bathrooms, complemented by a devoted office space on the ground floor and an additional room with a study area on the upper level. The New Haven provides ample room for family, guests, and more - situated in the beautiful community of The Farms at Creekside. Start your day with a cup of coffee on the covered patio in the back, just a few steps from your main floor master bedroom (which has beautiful tray ceiling design). The kitchen's open design is perfect for hosting dinner gatherings or catching the big game, providing a warm and welcoming atmosphere. On the second floor, you'll discover the 4th bedroom, an extra room, and walk-out storage perfect for storing holiday decorations and more. With luxurious flooring and granite countertops featured throughout, this home certainly doesn't skimp on quality. And let's not forget - the kitchen includes not just one, but two pantries! The Farms at Creekside is a stunning community tucked away from the noise, yet still conveniently located just minutes from I-75, Cambridge Square, and Hamilton Place.
