Welcome home to the Orchid townhome plan, located in the final phase of Pratt Home Builders' beloved flagship community, Engel Park. Situated in East Brainerd, this community offers a beautiful community pool and cabana, playground, dog park, and play fields.

Home Site 127 features 3 spacious bedrooms and 2 full bathrooms to match. Walking through the front door, you'll find the first guest bedroom at the front of the house and across the hall, just past the garage entry, is the second guest bedroom with a full bathroom in the hall. Wide doorways make for easy wheel-chair access throughout the home, a very unique design feature you don't see often. Moving through the hall, you're greeted by the spacious, open-concept kitchen and great room with sliding glass doors that open up to your private patio oasis. Just a short walk from the kitchen, your laundry room is just outside of the master bedroom. In the bedroom, you'll find the large en suite with double-vanities, a roll-in shower, plus a spacious walk-in closet. With easy access to favorite areas around town and downtown Chattanooga within a half hour's drive, you'll never be short on things to do. Convenient to everything – enjoy a round of golf at one of the many area golf courses, shop at Hamilton Place mall and surrounding shops, or enjoy the nature trails at Heritage Park, Audobon Acres, and more. Engel Park is a special community to be a part of.
