The Savannah Floor Plan

The Savannah home plan combines Southern charm with modern, single-level living. Its open layout features a bright great room that flows into a stylish kitchen with a spacious island – perfect for family time or entertaining.

The private primary suite offers a relaxing retreat with a spa-inspired bath and large walk-in closet, while additional bedrooms provide flexibility for guests or a home office. Built with care and quality, the Savannah reflects why we are one of the most trusted home builders in Chattanooga, TN- where comfort, craftsmanship, and convenience come together beautifully.
