The Lynden Floor Plan

MAIN LEVEL

UPPER LEVEL

There's a reason **the Lynden** has been selected to be one of our furnished model homes more than once. A large foyer opens up to a stylish dining room for entertaining and a first floor half bath for guests. The kitchen is a gastronaut's dream and strikes a perfect balance between spacious and cozy with an eat-in kitchen, closet pantry, and a large butler's pantry. Whether you're handling weekly meal prep like a boss or savoring a well-earned glass of wine after a long day, you'll be amid the energy of the great room activity and never miss a moment of Sherlock.

Just off the kitchen and living area is a first-floor guest room and full bath – perfect for visiting friends and family to feel at home. A huge drop zone between the garage and great room serves as a collection area for muddy shoes, kids backpacks, grocery unloading area or a pet area.
