The Hudson Floor Plan

MAIN LEVEL

UPPER LEVEL

The Hudson offers two-story living with a bright, open layout designed for both comfort and convenience. The main level features a spacious great room that flows into the kitchen, complete with a large island, granite countertops, a walk-in pantry, and access to a covered back porch. A dedicated study and half bath add extra flexibility for work or guests.

Upstairs, the primary suite includes a tiled shower with bench seating, double vanities, and a generous walk-in closet. Two additional bedrooms share a full bath, joined by a versatile loft ideal for a media nook or home office. With quality finishes and a two-car garage, the Hudson balances style and function for everyday living.
